HOSPITALITY:

- Hospitality is in brothers' or sisters' cabins, with 10 to 50 others. Couples will not be placed together. There will be no hospitality for children.
- Hotels are available in Hillsboro or West. Please babysit in hotels. Please see the map to Latham Springs attached for area motels and discount information available.
- There are limited quantities of motel type rooms onsite for those who have special needs (serving, physical, age, etc.). We feel those serving with the college age need to be in the cabins with the college age saints. Therefore, **we ask the elders to screen any requests for these rooms.** Screened requests should be specified on the registration form.

REGISTRATION:

- Please designate overseers to register all attendees from each locality at <http://goo.gl/YxzK9>
- Registration is required for everyone attending the conference, even if lodging or meals are not needed.
- Please indicate on the registration form if arriving after 11:00 p.m.
- For questions and changes to registration information, please email collegeconf@gmail.com
- Please notify us of any registration changes immediately.

PAYMENT: Each locality should bring one check for all attendees, payable to the church in Dallas upon arrival. Late registration donations should be included in this check if possible. Each locality is responsible for, and will have to pay for "no shows" still registered after Saturday evening of the conference. The differences in cancellations and/or additions should be settled before Saturday night.

FELLOWSHIP: This conference is specifically for college age saints, and considering that those in high schools have conferences designed specifically for their need, we feel that it is **best that high school young people not attend the college age conference, except only graduating high school seniors during the Spring Conference.** We recommend that you pray and fellowship with those you are laboring with over each of your new ones to determine if they are ready at this time for this intensive conference. Also consider and note on the form with whom they should be placed. We are looking to the Lord to meet the need among the seeking college students. Therefore, we all should value and guard this time so that all who attend will benefit. We are continuously making changes in how to carry out the conference. Therefore, we ask for everyone's cooperation.

Enclosures: Conference flyer with map, directions and hotel information (duplicate as needed)
